Dear Governor Schweitzer

The Pardon petitions will soon be submitted to you by the Montana Edition.

I am speaking for my grandfather Fay Rumsay. He was in prison from 1918-1919. Both my grandfather

& his Dad (Fay son, Delbert) are deceased so I'm speaking for them. I just found out about my grandpa's prison record about 3 years ago. My Dad, Delbert, would never

talk about his childhood at all. He must have been so hurt about his Dad, that he couldn't talk about it.

Can you & will you please clear up Fay Rumsay's record? Thank you  
Fay Rumsay Schuttler (son)
