

Thank you so much for working as hard as you did to make this film possible. I'm sure it has opened the eyes of many people to the hardships people once faced right here in our own state. It was fascinating getting to see another side of our government through that film.

Thank you again.

Thank you guys so much for making
the movie jailed for these words.

It really was very interesting
on what they got put in jail
for & how tough it was on
these families.

It was important to me because
who knows, if sedition was still
going on I could have been in
jail for saying something bad. My favorite
part was all the information on
Herman B. You guys found so much
information.

Thanks again,

Producers of "Jailed For their words".

I would like to thank you, for coming and showing Sentinel High School; your well planned film. I learned a lot about Montard's history. I was glad to be one of the first to see the film. Your time, finding these "Pacifists" was not wasted. I am sure each family was either surprised or thankful or both.

I got the chance to see it twice with another class. The second time I took notes. I found that there is a lot I missed during the first time seeing. Thank you again and God Bless
a Freshman

Thank you for coming to my school to show us that amazing world premier documentary.

Personally I love documentaries and this is by far the best one I've seen. I also have been to the Deer Lodge prison. It was fascinating and in the film it also taught me about sedition and I never knew what that was. Thank you!

I felt privileged to see the premiere of the film "Sailed for their Words" because an opportunity like that does not come often to a freshman like me or anyone actually. The film showed me how small the world is and how much free speech is taken for granted. I would like to thank you for teaching me a few lessons that I will remember all my life and pass on to my family and friends so that history doesn't repeat itself.

Thank you very much

Dear, WofM Journalism.

You did a great job with this movie. Before the movie I had no idea what Seditious was, but now I have a clear understanding. You made me realize ~~about~~ how bad this hurt people, and affected their families. Thank you for all the work you put into this.

DEAR UNIVERSITY OF MONTANA JOURNALISM,

THANK YOU SO MUCH FOR LETTING US WATCH THIS VIDEO ON SEDITION. I REALLY LEARNED A LOT! BEFORE WATCHING THE VIDEO I HAD A HARD TIME UNDERSTANDING WHAT SEDITION WAS AND WHY IT WAS SO IMPORTANT. NOW THAT I HAVE SEEN THE VIDEO, I HAVE A MUCH CLEARER UNDERSTANDING ABOUT HOW IT EFFECTED PEOPLE'S LIVES. I REALLY ENJOYED LISTENING AND UNDERSTANDING WHAT HAD HAPPENED TO HERMAN BAUSCH. HIS LIFE HAD CHANGED SO MUCH BECAUSE OF SEDITION. HOW IT CHANGED HIS LIFE AND HIS FAMILY WAS AWFUL. I REALLY LOVED THIS VIDEO BECAUSE IT EXPLAINED A LOT!

THANK YOU SO MUCH,
